

Auxiliary substance for plant growth

# ERGAOMNES

Formulation with high value organic matter. The organic nitrogen, potassium, amino acids and vitamins it contains improve the structure, physical and chemical properties of the soil and soil microbial activity. For application in soil with root irrigation (and drip) in all crops.

**Guaranteed composition:**

**Organic nitrogen (N):** 3.0-5.0% w / w

**Potassium (as K<sub>2</sub>O):** 3.0-5.0% w / w

**Organic substance:** 60-62% w / w

**It also contains:**

**Amino acids:** 3% w / w (Aspartic acid, Glutamic acid, Tyrosine, γ-Aminobutyric acid, Alanine, Serine, Isoleucine, Leucine, Valine, Glycine, Threonine, Methionine, Lysine, Proline, Cysteine, Histidine, Arginine).

**Vitamins:** 5.7 gr / kg - Biotin (vitamin H), Folic acid (vitamin B<sub>9</sub>), Inositol, Calcium pantothenate (vitamin B<sub>5</sub>), Pyridoxine (vitamin B<sub>6</sub>), Riboflavin (vitamin B<sub>2</sub>), Thiamine, Nicotinic acid.

**Trace elements:** 0.26 gr / kg Iron, Zinc, Manganese, Copper, Cobalt.

**Specific gravity:** 1.31, **pH:** 6.4 ± 0.5

For application in soil with root irrigation (and drip) in all crops.

**Its rich nutrients help:** In the early stages of growth, during flowering, in the filling of the fruit, it raises the sugars and color in the fruits, and finally in the production of quality fruits that can withstand the shelf after harvest.

**Apply by root watering:** During the first waterings of the growing season or in annual crops before or after transplanting or germination At the beginning of flowering When filling the fruits And when the color of the fruits changes.

**Dose:** 12-24 liters per acre in a growing season If a total of 4 applications are made then the dose in each operation is: 3-6 liters per acre per application.

**ATTENTION:** It is not combined with products that have very acidic chemical compounds and with sulfide or copper preparations. Store the product in ventilated, cool and dry places, temperature between + 5 ° C to + 35 ° C, away from heat / ignition sources. It must also be protected from sunlight.

**Packages:** 1LT / 5LT / 10LT / 20LT

**It's not a plant protection product**

**NitroFarm SA is certified with EN ISO 9001:2015 Quality Management System and EN ISO 14001:2015 Environmental Management System**
